<sup>1</sup>Not available in all states. When a repair shop in the nationwide guaranteed repair program network is chosen, Farmers will make every effort to see that legitimate complaints to a part supplier, or a GRP facility, about the quality of parts, workmanship, and/or repairs are corrected. Guaranteed repairs are part of Farmers Insurance Concierge Auto Repair Experience® ("Farmers CARE®"). To qualify for Farmers CARE, policyholder repairs performed incident to a covered loss must be completed by one of the thousands of nationwide Farmers CARE repair shops. Repairs meeting this criteria are guaranteed by the repair facility for as long as you own your vehicle—from coast to coast! Participation in Farmers CARE is completely voluntary. You may elect any repair shop you wish. However, if the repairs are done outside a Farmers CARE facility, they are not guaranteed as part of Farmers CARE.

<sup>2</sup>Identity protection services are not available to auto customers in NC or NH nor with all policy forms. Identity protection services are available in NC homeowners' policies with the optional "Identity Theft Expense and Resolution Plus" endorsement for an additional premium.
